Commercial Terms

RFX-2026-0142 - FY27 IT Hardware Refresh - Enduser Compute, Datacentre & Network
Issued 04 September 2026 | Responses due 18 September 2026, 17:00 IST

These terms apply to any purchase order placed against this enquiry. Counter-terms may be offered and will be evaluated as a commercial deviation. Silence is acceptance.

Item	Our requirement
Currency	INR only. A quotation in any other currency must state the reference rate used, its source and its date, and must say whether the rate is committed.
Tax basis	Quote ex-GST. State GST rate and HSN per line. Quote GST separately. Do not quote a tax-inclusive rate.
Delivery basis	FOR destination, all three sites. Freight, insurance and unloading to the vendor's account. Ex-works quotations will be evaluated but the buyer will not estimate duty or freight on the vendor's behalf.
Payment	Net 30 from delivery and acceptance. Advance payment is not offered. Milestone payment may be discussed for the datacentre group.
Bid validity	90 days from bid due date. A validity shorter than 30 days is likely to expire before our approval cycle closes.
Price firmness	Prices to be firm and fixed for the full delivery period. Price variation, forex variation and 'subject to availability' clauses are commercial deviations and will be recorded as such.
Warranty	As stated in each line description, from the date of acceptance and not the date of despatch. Onsite, at our premises, with no per-incident charge.
Support SLA	Next business day onsite for enduser hardware. Four hours onsite for datacentre and network hardware. Both at every location listed in your answer to Question 5.
Acceptance	Within ten working days of delivery, against serial-number verification and successful power-up. Payment terms run from acceptance.
Liquidated damages	0.5% of the value of the delayed portion per completed week, capped at 5%. Not applicable where the delay is attributable to us.
Partial award	We may award by line, by group or in whole, to one or more vendors. A quotation valid only on an all-or-nothing basis must say so explicitly.
Conditional discounts	Any discount conditional on an approval, an order date or another bidder's price must be labelled conditional. Such discounts are recorded and shown to the approver, but are not used in the ranked comparison.
Minimum order qty	State any MOQ against the line. Where MOQ exceeds our quantity, we will evaluate your unit rate against OUR quantity and treat the excess as a separate decision.
Free goods	Bundled or free-of-cost items must be listed with a stated value. A free item with no stated value cannot be compared.
Compliance	E-waste handling under the E-Waste (Management) Rules 2022. BIS registration where applicable. Original, unused, India-market stock with full manufacturer warranty.
Sub-contracting	Not permitted for warranty and support without our prior written consent.
Confidentiality	This enquiry and its contents are confidential. Do not disclose our requirement, quantities or your pricing to any third party including other bidders.
Governing law	Laws of India. Courts at Bengaluru have exclusive jurisdiction.
